2023 AGENDA

In the last few years, the Virginia Legislative Black Caucus (VLBC) successfully championed and passed historic and important policy reforms centered around justice, access, civil rights, and equity.

In the 2023 Session, the VLBC will protect and champion legislation on the following policy areas:

CIVIL RIGHTS & DEMOCRACY FOR ALL

The VLBC continues to fight for a Virginia where everyone's rights are protected and everyone has equal access to the ballot box. Since 2020, Virginia made unprecedented progress in voting rights, moving from the 49th to 11th state in ease of voting rankings. This is in large part due to work done by members of the VLBC. We will strongly oppose any attempts at voter suppression, discrimination, and inequality. As such the VLBC will work to protect:

- The Voting Rights Act of Virginia;
- Advancements in our Elections Systems to Increase Voter Access; and
- The Virginia Values Act to Prevent Discrimination in Housing, Employment, and Public Accommodations and Spaces.

In addition, the VLBC will also build upon the successes above and champion and support legislation that will:

- Amend the Virginia Constitution to Protect Reproductive Freedom;
- Amend the Virginia Constitution to Provide an Affirmative Right to Vote for All and Automatic Voting Rights Restoration; and
- Amend the Virginia Constitution to Remove the Ban on Same-Sex Marriage.

JUSTICE REFORM

The VLBC has been at the forefront of justice reform work in the General Assembly for decades. Too many disparities still exist based on race, gender, and economic status. We continue to stand in support of comprehensive justice reform in order to deliver on the promise of "liberty and justice for all." This includes:

- Protecting the Ban on the Death Penalty in Virginia;
- Completing the Legalization of Marijuana in a Socially Responsible Way;
- Protecting the Law Allowing Evidence of Mental Health Conditions to be Admitted in Criminal Cases;

- Protecting Laws that Help Dismantle the School-to-Prison Pipeline, including the Law to Eliminate the Criminalization of Students for School-based Disorderly Conduct; and
